

“What’s New?”

A Note from Kandice: Since 1986, I’ve been making dishes, vases, figurines and jewelry, but now my retirement years have begun. My figurines are retiring along with me, but I’m still very much interested in continuing some of my jewelry designs which are still being produced, although at a slower pace. New and different work will be featured on this page. Please view all my work by using the link to the PDF files on the home page. Many items are now being offered at wholesale prices through this web site only.

Enchanted Fantasies Figurines and Jewelry are still being carried by this retail store:
